**Subject:** Dimock - Flights for Techlaw

Rich,  
I wanted to let you know that to staff the May 2012 sampling at Dimock we will need to fly in up to 3 people from outside the Region. Due to the short notice of the sampling schedule, we likely will not be able to find reasonably priced flights. I wanted to check with you to see if EPA will reimburse Techlaw for these charges.  
Thanks,  
Suddha
